Space Ghost and the Disney Princesses

"Greetings! And welcome... to Jurassic Park!" Space Ghost greeted as he was dressed up like Mickey Mouse.

"...you're interviewing Disney characters." Moltar mumbled as he was making some hamburgers.

"I know." Space Ghost stated as he posed. "I gotta be ready when the suits from Paramount Pictures come over!"

"Idiot." Zorak scoffed as he was practicing his piano playing.

"Anyway, we have some great guests for you big guys in the plane!" Space Ghost stated as he then tripped, falling over his yellow cape. "I need a new agent."

"Gee, mister Space Ghost," Snow White spoke up on the television screen, as several other Disney princesses were there. "Are you all right?"

"I'll be fine, sweetie..." Space Ghost cleared his throat as he squinted, seeing Rapunzel was a big pudgier than he remembered. "Say, what's with blondey over here?"

"Who, me?" Cinderella and Aurora stated in unison as they glanced at each other.

Rapunzel farted loudly as she blushed, fanning the air as she chuckled, with some of the princesses near her groaning. "Oh, I'm just pregnant. I kinda got drunk again." She then let out a sigh of

relief as a tinkling sound was heard, with her wetting herself.

"...Well, this is gonna be one of those days, isn't it." Space Ghost grumbled to himself, for he was most definitely not looking forward to this.
